MISSION TRIP 2010-ACCOMPLISHED!!

Our group of 26 is among the 11,000 that will be participating in Catholic HEART Workcamps in 40 different locations throughout the US, this summer. Our trip to Louisville, was a great experience and our jobs included everything from cleaning out gutters, painting, working with children and building wheel chair ramps. The different agencies we worked for included; New Directions Housing Corporation, St. Vincent DePaul, Providence retirement home, Habitat for Humanity, St. Elizabeth's home for pregnant teens, and the House of Ruth, a home for people with AIDS. We all felt blessed to be the hands and feet of Jesus, and to be with our friends in praise and worship.

The theme for Catholic HEART Workcamp 2010 was CADENCE! When we choose to follow Christ and respond to His call to serve others....We choose a life with a new RHYTHM. God invites us to be a part of HIS BEAT, to walk at His PACE, to stop and look at the world around us and be part of the CADENCE of change.

Thanks so much for your prayers and support our of mission trip!

NEWSLETTER

The next quarterly parish newsletter deadline will be Friday, July 23, at noon.

Please submit your stories to Jeff Smythe by that time. This edition will cover stories through August/September/October.

Committee members: Assembly date will be Monday, August 2, at 1:00 p.m. in the meeting room of the Parish Center. Please try to be there to help at that time.

PLEASE SEND US YOUR EMAIL ADDRESS

Recently the parish upgraded the computer program that maintains the parish census and envelop contributions. Within that new program is the ability to send contribution statements through the email as well as sending the parish newsletter by email. This would be a huge savings to the parish, if we were able to do this. To that end, we need your email addresses. Please rest assured that your email address will not be shared outside the parish office [we will use blind copy for bulk emails]. If you could take a moment and send your email address to Fr. Mark at fmark@stjosephfreeburg.org I would greatly appreciate it. If you have any questions, just ask me.

Dear Parish Family,

Well, got some rain. The yard looks happier than it did last week. I am sure that the crops welcomed the rain as well.

We are in the midst of Ordinary Time in the liturgical year. It is that time that we look at how we live out our faith each and every day.

Always take time to LOOK for Christ in the everyday times of our lives. At the same time, how do we take time to MAKE Christ present in the everyday lives of others?

We have to act upon what we heard proclaimed to us in the Gospel. Today, Jesus lamented over the people because they had heard his words and seen his works but had not changed their lives...we have to be a people who are open to change and open to changing the lives of others for the better...and of changing our world to be more like the Kingdom of God.

Have a good week,

Fr. Mark
